COMPLETE HYDRATING SYSTEM

Skin needs a steady supply of moisture for a supple, youthful appearance. The L'initié Complete Hydration System is comprised of both a cream and capsule used in unison to deliver outstanding results, working on a deeper level to help you maintain optimal hydration. Skin is renewed and more resilient inside and out.

Complete Hydrating System
ITEM 103025

- ▶ Reduces the appearance of fine lines and wrinkles
- ▶ Improves smoothness, softness and elasticity
- ▶ Promotes youthful skin vitality
- ▶ Supports healthy skin regeneration and renewal
- ▶ Nourishes skin to optimize hydration
- ▶ Promotes antioxidant activity

HYDRATING CREAM

Hydration on the outside. Lavish your skin with intense moisturizing for an immediately more radiant look and unbelievably soft feel. This luxurious cream leaves skin hydrated as it infuses it with nutrients. This lightweight moisturizer delivers as much or as little hydration as your skin needs, to create a perfect balance of moisture and promote youthful skin vitality.

HYDRATING CAPSULES

Hydration on the inside. The unique nutrient combination protects your skin from the inside while providing essential micronutrients to maintain your skin's health and appearance. This approach delivers outstanding results, with an effectiveness that works on a deeper level than any cream alone to empower your skin's optimal hydration.
